

CARPENTER TECHNOLOGY CORPORATION

STRATEGY COMMITTEE CHARTER

I. Purpose

The purpose of the Strategy Committee (the “Committee”) shall be to serve at the pleasure of the Board of Directors (the “Board”) of Carpenter Technology Corporation (the “Corporation”) to assist in sponsoring and monitoring the continual development, implementation and maintenance of the corporate strategy for the Corporation and ensuring the Corporation’s annual business plan is aligned with and supports the implementation of the corporate strategy.

II. Membership

A. Criteria for Membership. The Committee shall be comprised of two or more members of the Board (each a “Director,” and, collectively, the “Directors”), including the Corporation’s Chief Executive Officer. Unless determined otherwise from time to time by the Board or the Committee, there shall be no requirement that members of the Committee must be independent Directors.

B. Selection of Committee Members. In making appointments to the Committee, the Board of Directors shall consider the desirability of having periodic rotations of Committee members and, in evaluating such periodic rotations, the benefits of a Director’s continuity of service on the Committee, as well as the particular skills and experience of each Director which may be beneficial for continued service as a member of the Committee shall be considered. Other criteria for membership on the Committee may be established by the Board of Directors.

C. Appointment and Removal. Each of the members of the Committee shall be appointed by the Board and shall serve until such member’s successor is duly elected and qualified or until such member’s earlier resignation or removal. The members of the Committee may be removed, with or without cause, at any time, by a majority vote of the Board. In the case of a vacancy on the Committee, the Board may appoint a Director to fill the vacancy until his or her successor is duly elected and qualified or until his or her earlier resignation or removal.

D. Chairperson of the Committee. Unless a Chairperson of the Committee is elected by the full Board, the members of the Committee shall designate a Chairperson (“Chair”) by majority vote of the full Committee membership. The Chair shall be entitled to cast a vote in addition to his or her vote as a member of the Committee, if necessary to resolve any ties. The Chair will chair all regular sessions of the Committee and set the agendas for Committee meetings.
